Supply of High Quality Learning Opportunities for
Migrant People and Enhance Social Inclusion

Funded by the Erasmus+ Programme of the European Union - cooperation for innovation and exchange of best practices - KA2 Strategic Partnerships

PROJECT OBJECTIVE

Support teachers in acquiring new skills and practices in the field of education and training for migrants.

Network enterprises with relevant training providers and learners through joint study visits.

Understanding different approaches in different countries and exchanging good examples.

TARGET GROUPS

- ◆ Trainers in the field of vocational education and training and students with migration background
- ◆ Specialists from the fields of education and social affairs
- ◆ Stakeholders and policy makers in education and social policy

PROJECT ACTIVITIES

Within the framework of the project, four transnational meetings will take place in Germany, Malta, Slovenia and Cyprus.

In addition, the project partners organise six joint staff training sessions, each lasting three days.

During the project, a strong implementation and resource management team will be established to efficiently implement the goals of the project
